

CHAPTER V

CONCLUSIONS AND SUGGESTIONS

A. Conclusions

Based on the analysis of the utterances in *The Guardian of Galaxy* movie's script in the previous chapter, it can be concluded that :

1. There were four types of maxims which violated by the characters in *The Guardian of Galaxy* movie i.e. maxim of quality, quantity, relation, and manner in responding the question or statement given by the other characters.
2. The maxim which dominantly violated in *The Guardian of Galaxy* movie's script was maxim of manner about 12 utterances (38%).
3. The context of the dominant violation of maxim occur is when the main character give obscurity information to trick the listener. From the analysis, it could be concluded that event though Grice (1975) proposes the Cooperative Principle in communication, in some situations, people disobeyed them deliberately. When people violated the maxims, they seemed to have their own reasons for doing it. The writer found out that the characters in *Guardian of the Galaxy* movie used the violation of maxims as strategy to tell lies. The lying reasons varied from one to another in accordance with the purpose they wanted to reach. The violation of maxims happened because the character wanted eliminate any chance

for the interlocur to respond so that the interlocur would ask no more question and the character could achieve their goals easily

B. Suggestions

The writer suggest the readers especially the student of English Department to choose the violation of maxims as the object of research, because many interesting aspects which can be analyzed especially in the action movie. Some people do not know how important and crucial to learn violation of cooperative principle to achive the successful and ideal communication because people usually often do it.

Theoritically, it was expected to be useful for expand the knowledge for other students who are attracted in learning Cooperative principle and maxims, especially on analyzing the violating maxim.

Practically, the findings expected to be useful for the students to void and decrease the maxim violation usage when they perform a talk exchange or conversation, for the teachers as a teaching material and for the other researcher as inspiration to conduct a more in depth research in order to have a better knowledge in understanding the meaning and message contains in a talk exchange.
