

## LIST OF TABLE

	PAGE
Table 3.1. Research instrument's framework of learning material for ecology and environment topics based on scientific literacy and local potency of North Sumatera from content expert.....	32
Table 3.2. Research instrument's framework of learning material for ecology and environment topics based on scientific literacy and local potency of North Sumatera from design expert .....	33
Table 3.3. Research instrument's framework of learning material for ecology and environment topics based on scientific literacy and local potency of North Sumatera from Biology teacher .....	33
Table 3.4. Questionnaire framework of students' Response on learning material for ecology and environment topics based on scientific literacy and local potency of North Sumatera.....	34
Table 3.5. Answer's criteria of validation instrument by using Likert Scale .....	35
Table 3.6. Criteria for the percentage of scientific literacy indicators of Scientific ecology and environment topics based on local potency of North Sumatera that has been developed .....	35
Table 4.1. Feasibility Components of SL content by expert.....	45
Table 4.2. Feasibility assessment of SL content by content expert .....	45
Table 4.3. Suggestion and Advice List from Content Expert .....	48
Table 4.4. Feasibility Assessment of Design by Design Expert .....	49
Table 4.5. Suggestion and Advice List from Design Expert .....	50
Table 4.6. Biology Teachers' Respondent Names .....	51
Table 4.7. Biology Teacher's Response to Product .....	52
Table 4.8. Individual Field Testing to Product .....	53
Table 4.9. Small Group Field Testing to Product .....	54
Table 4.10. Big Group Field Testing to Product .....	55
