

## ACKNOWLEDGMENT

First of all the writer would like to express a great devotion to the Almighty God, the Merciful who always leads His creatures so that the writer is able to complete writing this thesis. He also believes that this writing will be not going well without any support and guide from others. Therefore it is not exaggerated to owe his sincere and gratitude to the following:

Firstly, the deepest appreciation is due to Prof. Dr. J. Naibaho as the head of LTBI program, and Meisuri, MA is his secretary. Both they patiently advice and support the writer particularly in administrative equipments in the completion of this thesis.

Secondly, the greatest thank is extended to Dr. Berlin Sibarani as his first consultant, and the second consultant Prof. M. Butar-butur, M.A, Ph.D who continuously advice and encourage the writer.

Thirdly, The deepest gratitude is also extended to Prof. D.P. Tampubolon as the reviewer who contributes constructive criticisms, Prof. Dr. J. Naibaho and Prof. Amrin Saragih, M.A, Ph.D as well, offer valuable contributions and suggestions.

The next is Drs. H. Tamsir Rahman, MM and the principal of Educational Department of Kabupaten Indragiri Hulu to whom he owes the great thanks as the sponsor who facilitate him by scholarship so that he can continue his study for S2 program in improving educational staff in this region.

Then the principal of SMP Negeri 5 Rengat, S.M. Yakub, the English Teacher Siti Aminah, S.Pd as the subject of the researcher who always show their good cooperation in order to have required data for this research.

And then the greatest thanks is due to his school principal who facilitates and helps him whether material and moral supports.

He would not forget his colleagues : Panggabean, Nazar, Coki, Lasma, Leli, Lili, Yahma, and Erika who continuously support to finish his writing.

The last but not least, the deepest sincere and gratitude are indebted to his parents who always pray for his success, his lovely wife and both children Husna and Hashfi who always waiting patiently for his coming by gaining successfulness.

The writer realizes that this thesis is still imperfect so that good and constructive criticisms are very highly appreciated.

God Bless.

Medan, September 2005

The Writer,

Rausnivanson
