ACKNOWLEDGEMENTS

Praise be to God, the “Almighty”, the merciful, and the “Most Beneficial” for His Mercy and Beneficial without which the writer would have never been able to complete her task in obtaining the degree of Master Degree of Humaniora of the English Applied Linguistics Study, State University of Medan.

This study, in its present form is not without the support and assistance of many people. There are many people to thank as no academic pursuit is solitary. Along the way, the writer has been driven, inspired and supported by the following distinguished and most appreciative persons.

To mention a few, she would like to express her deepest gratitude to Prof. Dr. Jawasi Naibaho, her first consultant, for ideas, criticisms and corrections from the very beginning up to this special day.

Next, very special her appreciation goes to Prof. Tina Mariany Arifin, PhD., M.A. her second consultant, for most valuable time spent in giving the direct guidance, criticism and corrections from the very beginning up to this special day.

She would like to extend her sincere thankfulness to Dra. Meisuri, M.A, as the Secretary of the Program, for her helps in all administration matters and deep mental support, and all the lectures who have taught a lot of knowledge to her. May God protect them in all activities they do.

Furthermore, the writer's sincerest thanks goes to her beloved father, H. Ruslan Daulay, BBA and mother, Hj. Netty Herawaty Nst, BBA, her sisters, Lenniaty Daulay, Msc and Rizkia Daulay and brothers MHD. Affan Daulay, ST and Azhar Efendi Daulay, S.Ked. Her Grandma, Hj. Siti Gom-Gom Nst, For the care, support, prayers and many other things that have been given to her.

Her special thanks is directed to her dear friend, MHD. Junaidi, S.Pd who has helped me during her study and in the process of writing her thesis. Last but not least, her final thanks goes to all her kind friends who have contributed very much to her improvement in English. Few that the writer can mention here: Kak Melda, Kak Yanti, Tini, Rere, Rini, Nana, Lena, Bapak Tobing, Bapak Simatupang, Bapak Simanjuntak, Bapak Chaerul and Bapak Marpaung. Also to my classmates at LTBI, her friends from LPK. DiNaMit and SMK Medan Putri (Bapak Syarifuddin, S.Pd) for whom she cannot mention one by one.

Finally, she realizes that this thesis is far from being perfect. Therefore, any suggestions or criticisms for the improvement of this thesis are warmly appreciated.

May, Allah Bless Us.

Medan, July 2005
