ACKNOWLEDGEMENT

In accomplishing his study at the Graduate Program of English Applied Linguistics of the State University of Medan, many parties have been involved. On this occasion, the writer would like to express his sincere gratitude and deep appreciation to all of them.

First of all, he thanks God the Almighty because without His guidance and blessing, it is impossible for him to do all his activities related to the writing of this thesis.

Second, he would like to extend his valuable thankfulness to Prof. Tina Mariany, M. A., Ph. D., his first consultant, who is in spite of her activities has spared her valuable time to give criticism and corrections of his thesis.

Third, his special thanks and deep appreciation is also addressed to Dr. Berlin Sibarani, M. Pd., his second consultant for his very special support, guidance, advice, criticism to the draft of this thesis and encouragement to finish his thesis.

Fourth, he feels very grateful to the Head of the English Applied Linguistics, Prof. Dr. Jawasi Naibaho and his secretary Dra. Meisuri, M. A., and all the lecturers who have given him encouragement, experience and knowledge in conducting the research.

He also feels very grateful to Prof. Amrin Saragih, M. A., Ph. D., who has given encouragement and recommendation to join the Graduate Program at the State University of Medan. Many thankfulness is also dedicated to Dr. Lince Sihombing,

M. Pd, who has given encouragement to finish his thesis as soon as possible. And also due to Ratna Surbakti and Yanti who have given their time to be interviewed.

Last but not least, his very, very special thanks is devoted to his beloved father, Adil Saragih and his mother Amanna Br Tarigan for their prayers, care, attention, moral and material support. His special thanks are due to his sisters Malemna Br Saragih, Nirwana Br Saragih, Cahaya Br Saragih and Setiana Br Saragih, and also to his brother-in-law Jusuf Barus, S. Th., and Ijon Pardamean Purba, S. E, who have given their supports and prayers for his thesis. This thesis is also dedicated to his attractive and energetic nieces Safriana Ginta Br Barus, Debora Br Barus, Nia Febrianty Br Purba.

Finally many thanks are also given to all of his friends who has given him some suggestions for finishing his thesis.
