ABSTRACT

LEMBAR PENGESAHAN TIM PENGUJI

Lembansasar, Herman. Registration Number: 2172121999. Developing English Speaking Material for Students of Business and Management Program at Vocational School. A Thesis. English Educational Program, State University of Medan.

Skripsi ini telah diuji dan dinyatakan telah Memenuhi persyaratan untuk memperoleh Gelar Sarjana Pendidikan

The objective of this study was to develop English speaking material based on students' needs. This study followed the steps of research and development proposed by Borg and Gall which are 1) evaluation and need analysis; 2) material development; 3) validation; 4) revision and final production. It was found that 85% students agreed that the existing materials currently used by the students were irrelevant with business and management program. The irrelevant materials were then developed into English speaking material with their study program and work life situation. The learning materials were developed into 6 units of speaking material. The learning materials were then validated by two experts. The average scores of the validation was 89. It showed that learning materials were very good, relevant and feasible.
