

ACKNOWLEDGEMENT

I would never have been able to finish my thesis without the guidance of my advisors, help from friends, and support from my family and husband.

I would like to express my special appreciation and thanks to my advisor Dr. Didik Santoso, M.Pd and Dr. Eddy Setia, M.Ed, TESP, both of you have been a tremendous mentor for me. I would like to thank you for encouraging my research and for allowing me to grow as a research scientist. Your advice on both research as well as on my career have been priceless. I would also like to thank my The Head of English Applied Linguistic Study Program, Prof. Dr. Busmin Gurning, M.Pd for serving as my committee members even at hardship. I also want to thank you for letting my defense be an enjoyable moment, and for your brilliant comments and suggestions, thanks to you.

A special thanks to my family. Words cannot express how grateful I am to my lovely husband, my mother and father, father in law and mother in law for all of the sacrifices that you've made on my behalf. Your prayer for me was what sustained me thus far. I would also like to thank all of my friends who supported me in writing, and incited me to strive towards my goal.
