

## ACKNOWLEDGEMENTS

In the name of Allah, the Most Gracious and the Most Compassionate. We praise Him and invoke His Choicest Blessings upon His Noblest Prophet, Muhammad Mustafa SAW <sup>peace and</sup> blessing of Allah be on Him.

This thesis is mainly written as a partial fulfillment of the requirements for the Post Graduate degree of Magister Humaniora from the State University of Medan.

The author wishes to express his gratitude and appreciation to his two advisors, Prof. Dr. Lince Sihombing, M.Pd. and Dr. Sri Minda Murni, M.S. who have guided and supported him in completing his study at English Applied Linguistics Study Program (LTBI). Without their well-designed plan and meticulous review of the draft, this research would have been impossible.

The author is also grateful to Prof. Dr. Busmin Gurning, M.Pd., as the Head of English Applied Linguistics Study Program as well as his examiner, and both Prof. Amrin Saragih, M.A. Ph.D., and Dr. I Wy. Dirgeyasa, M.Hum. as the examiners. And he is also indebted to Dr. T. Thyrhaya Zein, M.A. as the author's mentor and friend, to all his colleagues and students for their assistance and cooperation in performing this work.

The author's deepest appreciation and love also go to his beloved wife, Siti Aisyah Jambak, whose prayers are always accompanying him during the long traveling hours to the university. He is also appreciative to his only daughter (Nisa Hamidah Kausar M), and his three sons (Ihsan Ahmed Mustafa M, Abdul Ba'ariy Sy. M, and Fazl Baihaqi Ashar M) for their moral

support. Of course, nothing would have been possible if it had not been for the love and support from them all. Their patience and support have kept the author going this far and their love will keep him going further. Insha Allah.
