ACKNOWLEDGEMENTS

In accomplishing my study in the English Applied Linguistics, Graduate Program in State University of Medan I have enjoyed some privileges and assistance from several people, organizations and institutions. In this occasion, I would like to express my sincere gratitude and deep appreciation to all of them.

First of all, I would like to thank to Allah S.W.T for His blessing that enables me to pass through all the happiness and the hardship I had during my study and finally to complete this thesis.

Second, I would like to pay my deepest respect and sincere gratitude to Prof. Bahren Umar Siregar, Ph.D. as my first consultant and Dr. Lince Sihombing, M. Pd. as my second consultant for their special efforts in guiding and encouraging me, giving constructive criticism, advising me the right way to finish this thesis.

Third, my special thanks are due to the Head of English Applied Linguistics Program, Prof. Dr. Jawasi Naibaho and the Secretary of the Program Dra. Meisuri, M.A. as well as all the lecturers and the tutors who have given me encouragement, a lot of experience and knowledge during my study. I would like to thank Dr. Amrin Saragih, M.A. and Dr. Berlin Sibarani, M.Pd for their comments and criticism to the earliest draft of the thesis proposal. I should also thank the Administration Staff of the Program and the librarian for their warm welcome in facilitating my study.

Fourth, I should express my sincere thank to my family, my father Syahnin, my mother Dablina and my only brother Yono Syahputra who showered me their endless love and motivations when I really need them. Without their support, love, and motivation, I surely cannot attain my present stage of life.

At last, I should also thank all my friends for their company and support, which keep my faith in 'a friend indeed is a friend in need'.

May God bless us all.
