## ACKNOWLEDGEMENTS

This study is concerned with investigating the experiential functions of internet advertisements. It is submitted to fulfil one of the requirements for the degree of Humaniora in English Applied Linguistics program of the State University of Medan.

The completion of this thesis would have never been made possible without the help of several people. First of all, the writers is particularly indebted to her first and second consultants: Prof. M. Butar-butur, Ph.D, MA and Amrin Saragih, Ph.D, MA., for their generosity, guidance, patience, encouragement, motivation, and assistances during the preparation of the thesis.

The writer would also like to acknowledge valuable and helpful constructive suggestions made by the reviewers: Prof. Dr. Jawasi Naibaho, Prof. D.P. Tampubolon, and Dr. Busmin Gurning, M. Pd. Thanks are also due to the Head and Secretary of English Applied Linguistic Program : Prof. Dr. Jawasi Naibaho and Dra. Meisuri, MA., and to all lecturers for their commitment to guide and facilitate the students of Graduate Program in English Applied Linguistic Program of the State University of Medan.
