

LIST OF TABLES

Table 4.1: Disruption of Articulation by Omitting Middle Alveolar Approximant Consonant.....	52
Table 4.2: Disruption of Articulation by Omitting Initial and Final Alveolar Approximant Consonant.....	54
Table 4.3: Disruption of Articulation by Omitting Initial Bilabial Stop Consonant.....	56
Table 4.4: Disruption of Articulation by Omitting Alveolar Fricative Consonant.....	57
Table 4.5: Disruption of Articulation by Omitting Alveolar Stop Consonant.....	58
Table 4.6: Disruption of Articulation by Omitting Initial Velar Stop Consonant..	60
Table 4.7: Disruption of Articulation by Omitting Alveolar Lateral Consonant..	61
Table 4.8: Disruption of Articulation by Omitting Velar Nasal Consonant.....	62
Table 4.9: Disruption of Articulation by Omitting Middle Vowels.....	63
Table 4.10: The Distribution of Disruption.....	64
Table 4.11: The Percentage of Articulation Disruption.....	65
Table 4.12: The Phonemes of /c/, /j/, /n/, and /p/ in Minimal Pairs Content	67
Table 4.13: The Phonemes of /c/, /j/, /n/, and /p/ in Non-minimal Pairs Content.....	68
Table 4.14: Distribution of Disruption Factors.....	88
Table 4.15: The Reasons of Disruption in Children with Language Disorder Entirely.....	89
Table 4.16: The Comparison Table between Theories and Research Finding.....	96
