

ACKNOWLEDGEMENT

Bismillahirrahmanirrahim,

Praises be to Allah SWT for His Great Blessing, Health and Luck that have been continuously poured to the writer in the process of completing his studies and this piece of academic writing. Praises are also addressed to our Prophet Muhammad SAW who has guided us to the better life of today. In the process of completing this thesis, the writer has to confess his profound thankfulness for the generous guidance and assistance which has been rendered to him by many people. It would be impossible to list all names but on this very special opportunity the writer would like to express his gratitude to the following people.

First of all, the writer's deepest appreciation and gratitude is dedicated to Dr. Didik Santoso, M.Pd his first adviser for the guidance, comments, criticisms, suggestions and special notes for the improvement of the thesis from the very beginning up to the end of this thesis.

Next, his deepest appreciation is addressed to Dr. Rahmad Husein, M.Ed, his second adviser for the available time spent for consultation, guidance, comment, encouragement, special notes for improvement of the thesis, and full support in shaping this thesis.

He would like to take this special occasion to express his gratitude to Dr. Rahmad Husein, M.Ed. and Dr. Anni Holila Pulungan, M.Hum. as the Head and Secretary of the English Applied Linguistics Study Program for their administrative assistance and administrative requirements during the process of conducting this study and completing this thesis.

Sincere gratitude also to his reviewers and examiners, Prof. Dr. Busmin gurning M.Pd, Prof. Dr. Sri Minda Murni, M.Pd and Dr. Anni Holila Pulungan, M.Hum, for their valuable inputs to be included in this thesis. He would like to express his gratitude to all lecturers who have given the valuable knowledge and the excellent performance in delivering the lectures during his study at the English Applied Linguistics Study.

Next, his greatest and sincere gratitude should also go to his beloved parents Drs. H.Sunaryo and Hj. Arnilis Tanjung, her lovely sisters and brother Rizka Novita, Amalia Husna all who have patiently given moral support, their never ending love and pray. Special and sincerest gratitude are addressed to his inspiration, Suhailah Arief, S.E for her amazing support, love and motivation for the writer to finish this thesis soon.

He also would like to express his thankfulness for his beloved friends on LTBI B-2 and B-1 UNIMED 2014 who can not mention one by one for their love,

support and help to finish this thesis. She offers his regards and thanks to Brother Farid, who has helped his in providing the academic administration.
