

ACKNOWLEDGEMENTS

Thanks to God, the Lord of the universe who has given me the opportunity to accomplish this thesis. Thanks so much my dear God. It is also impossible to be accomplished without guidance, support and valuable knowledge from many people whose names cannot be mentioned all.

First, the writer would like to express her sincere gratitude to Prof. Sumarsih M.Pd as her first adviser and Prof. Dr. Busmin Gurning, M.Pd as her second adviser, for their valuable advice, guidance, constructive comments and previous time spent on supervising and commenting the process of writing until it comes to its present form. Second her special gratitude goes to the Head of English Applied Linguistics, Dr. Rahmad Husein, M.Ed who has generously encouraged her in completing this study, all lecturers for her valuable knowledge and instruction they have implemented to her during the years studying and librarians of the State University of Medan for leading some useful books and other sources that are needed in writing this thesis.

The writer also would like to sincerely thank to anonymous participants who contributed suggestions, critics and advises to this study. My deepest gratitude goes to Prof. Dr. Amrin Saragih, M.A, Ph.D, Prof. Sri Minda Murni, M.S and Dr. Anni Holila Pulungan, M.Hum without their excellent academic guidance and support, this thesis would not have been possible.

Then, a very special gratitude is directed to her beloved father M. Tampubolon, S.Pd and beloved mother J. Br Simanjuntak together with her beloved brother and sisters, Laurence Tampubolon, S.Pd, Monika Tampubolon, Teresia

Tampubolon and Sahat Partahi Halomoan Tampubolon for their full love, support, care, and prayers. And also, her gratitude goes to all of her big family for their love and support.

Finally, a special gratitude is addressed to all her beloved best friends especially Mei Latri Butar-Butar, S.Pd, Dahlia Siburian, S.Pd, Yohana Siburian, S.Pd and Desi Kristina Purba, S.Pd for their unconditional love, care, support for the writer. All her classmates LTBI BIII, and many others for their friendship and encouragement in finishing this thesis. For her special man, her partner in crime, her flashlight whenever she's stuck in the dark, he would always be there, Nobel Christian Sormin, S.E., for his fully love, care and time, so the writer could finish her thesis.

Last but not least, she must confess that she has done her most to accomplish this thesis but she realized it is still far from being perfect. Therefore, any constructive, criticism, suggestions or comments will be highly appreciated.
