

## ACKNOWLEDGEMENT

All praise and glory to Almighty Allah (Subhanahu Wa Taalaa) who gave the courage and patience to carry out this work. Peace and blessing of Allah be upon last Prophet Muhammad (Peace Be upon Him).

A major research project like this is never the work of anyone alone, but the support of many people, in which the contribution of them, in different ways, had made this possible. The writer hardly knows where to start expressing the gratitude, but several people deserve the sincere thanks.

The writer would like to express the unrestrained appreciation to the thesis supervisors, Dr. Ely Djulia, M.Pd and Syarifuddin, M.Sc, Ph.D., for their constant help and guidance. Both supervisors had been helping out and supporting the writer throughout the course of this work and on several other occasions. Thanks are also due to the thesis examiner members Prof. Dr. rer. nat. Binari Manurung, M.Si., Dr. Hasruddin, M.Pd., and Dr. Fauziyah Harahap, M.Si., for their attention, cooperation, comments and constructive criticism.

The writer is also acknowledging colleagues and friends, especially the member of Pascasarjana Pendidikan Biologi A 2014, whom the writer had a pleasant, enjoyable and fruitful company. Special thanks to best friends: Latifah Nasution, Nila Zusmita Wasni, Putri Leo Martin, Fitriana Siregar, Fitria Nurhandayani, M.Ridho, for their pleasant company during research time. Thanks are due to all staff of Biology Education Study program, to the head of the study program, Dr. Fauziyah Harahap, M.Si. and Dr. Tumiur Gultom, M.P. for their stimulating support and the assistance in completing the administrative procedures. Special thanks to Kak Siti Rohana, M.Pd. for her assistance in completing the administration forms.

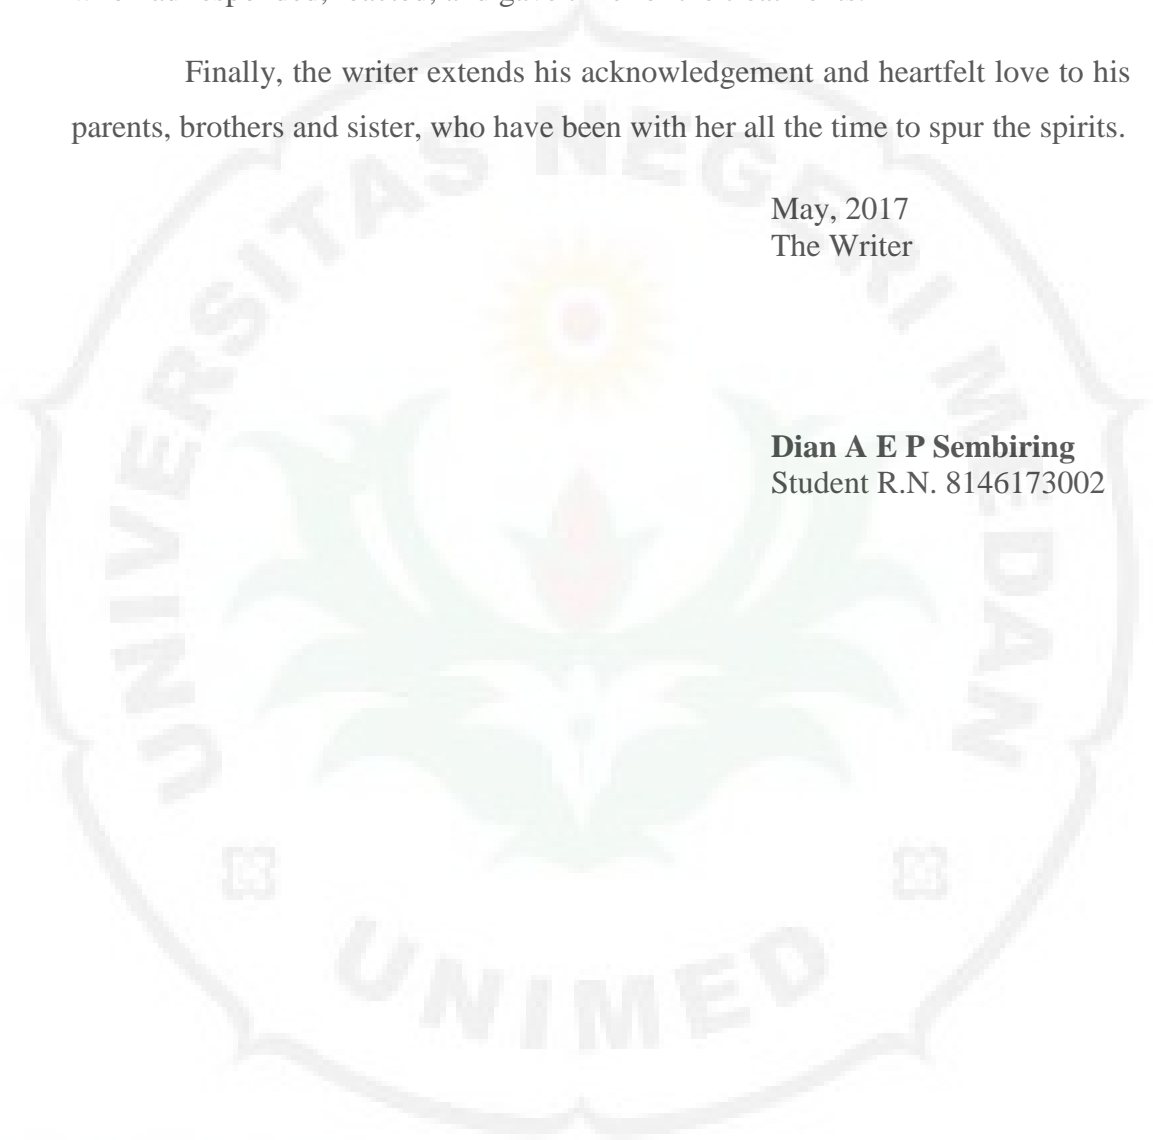

Special thanks would also be extended to the headmaster and the headmistress of SMPN 2 Telukmengudu and SMPN 1 Pantaicermin, who have gave permission for conducting this study and to the Biology teachers for their great help in collecting the data. Big appreciation is also addressed to all the

manager and parents at mangrove ecotourism Sei Nagalawan, Kampung Nipah who had responded, reacted, and gave time for the treatments.

Finally, the writer extends his acknowledgement and heartfelt love to his parents, brothers and sister, who have been with her all the time to spur the spirits.
