

ACKNOWLEDGEMENT

In the name of Allah, the Most Gracious and the Most Merciful.

Alhamdulillah first of all, I would like to give the greatest thank and praise to Allah SWT for blessing me to be able to finish the final task in University Level, known as skripsi entitled with “Analysis of Quality High School Biology Textbooks Used in United Kingdom, Malaysia, and Indonesia In Cell Topic”. This final task was one of the requirements for getting the degree of *Sarjana Pendidikan* in Bilingual Biology Education Study Program, Biology Department, Faculty of Mathematics and Natural Science, Universitas Negeri Medan.

Next, I would like to express my sincere gratitude to my research advisor, Mr. Syarifuddin, M.Sc., Ph.D for the continuous support of my study, motivation and immense knowledge. His guidance helped me in all the time of research and writing of this thesis. Besides my advisor, I express my warmest gratitude to my thesis committee, Prof. Dr. rer. nat. Binari Manurung, M.Si, Mrs. Meida Nugrahalia, M.Sc, and Mr. Syahmi Edi, Dr.,M.Si who act also as my Academic Advisor for their valuable and constructive comments improving the quality of this thesis.

My sincere thanks also go to Dean of Mathematic and Natural Science Faculty, Mr. Asrin Lubis, Dr., M.Pd and all UNIMED FMIPA Faculty members, in particular, Biology Department Head Mr. Hasruddin, Dr., M.Pd, Biological Education Head, Mrs. Cicik Suryani, M.Si, and the Head of Bilingual Study Program Mrs. Iis Siti Jahro Dr., M.Si. and also thankful to Mrs. Nora Susanti, M.Sc., S.Si., Apt, for being pleasant lecturer.

This thesis would not have been possible without the inspiration and support of my number one wonderful person, my mother. I do love you mom. To my dad who was often in my thoughts on this journey, you are missed. To my brothers, Ari and Rio for their continuous and unparalleled love. To my another family members, Mami, Aunty Ana, Ka Widi, my lovely cousin Amira for the support and encouragement.

I am forever thankful to my colleagues mate Bilingual Biology Education 2013, my life has been blessed for knowing you Balqis, Elisabet, Johan, Ichapol, Icha Nst, Kristiani, Miyzan, Muthia, Mutia Dara, Nadya, Sagita, Serma and Imelda. All of our memories were worth more than i can express on paper. It is also a pleasure to thank my ppltmatauli2k16 squad, specially for my room-mates (Nadya who always have been patient to me, Mutia Dara, Icha Nst) and Sista Febby Nestia. And all of my beloved students at SMAN 1 MATAULI PANDAN that made my stay in Pandan memorable.

Not forgotten, special thank goes to my unbiological sisters, Anis Landau, Fika, Suwani and Mita for all the emotional support and caring they provided. To my childhood friends, Ririn, Putri Ermin, Putri Anggimi for the support. In addition i would like to thank to sista suci, enny, auli who act as good listener and my 21 Team (Tommy and Ka Afatar) as my fellow thesismates, finally we did it!

Lastly, thankful to all people who have been a part of my graduate education for the almost four years. Thankyou for your endless support.
