

ABSTRACT

Surbakti, Imam. Reg. No 8136112039. Male and Female Karonese University Students Attitudes towards *Cakap Karo*. A Thesis. English Applied Linguistics Study Program, Post Graduate School, State University of Medan, 2017.

This study deals with Male and Female Karonese University Students Attitudes towards *Cakap Karo*. It was aimed to investigate the types of the attitudes of Male and Female Karonese University Students, the levels of attitudes by Male and Female Karonese University Students Attitudes towards *Cakap Karo* realized and the reason or the factors why do they have the attitude such the ways they did. This study used descriptive qualitative method then the design was descriptive qualitative research. The subject of this were Male and Female Karonese University students in University of Muhammadiyah Sumatera Utara in Medan. The object of this study were the language attitudes Male and Female Karonese University Students towards *Cakap Karo* in UMSU. The data were analyzed by using the Interactive Model by Miles, Huberman and Saldana. Based on the data analysis, Male and Female Karonese University Students in UMSU showed that, Karonese male University students were higher attitudes or had more positive attitudes than female one towards *Cakap Karo*. Then male Karonese University Students have positive attitude towards *Cakap Karo* in the level on receiving, responding, valuing, organizing, and internalizing values. Meanwhile the female one realized in level responding, valuing, internalizing values. On the other hand the female one have negative attitude towards *Cakap Karo* in the level of receiving and organizing. The male Karonese University students had positive attitude towards *Cakap Karo* because of some reasons such as: they were loyal to use *Cakap Karo* in their daily communication as peer of Karonese students even though in campus area and also they were proud and felt important to use *Cakap Karo*. Meanwhile, Karonese female had negative attitudes towards *Cakap Karo* because of they were disloyal to use *Cakap Karo* in their daily communication as peer of Karonese students , they also unaware of *Cakap Karo* norms, contrary, they were proud actually to use *Cakap Karo* but they use it sometimes in their daily communication.

Keywords: *language attitude, positive attitudes, negative attitudes, Male and Female, Karonese Language/ Cakap Karo (CK)*

ABSTRAK

Surbakti, Imam. Reg. No 8156112039. Sikap Berbahasa Mahasiswa Karo Laki-laki dan Perempuan terhadap *Cakap Karo*. Thesis. Program Studi Linguistik Terapan Bahasa Inggris, Sekolah Pascasarjana, Universitas Negeri Medan, 2016.

Penelitian ini berkaitan dengan sikap berbahasa mahasiswa karo laki-laki dan perempuan terhadap *cakap karo*. Tujuan dari penelitian ini adalah untuk menyelidiki tipe-tipe sikap bahasa mahasiswa karo laki-laki dan perempuan terhadap *cakap karo*, level sikap mahasiswa karo laki-laki dan perempuan terhadap *cakap karo*, dan alasan atau faktor-faktor mengapa mereka memiliki sikap bahasa seperti itu. Penelitian ini menggunakan metode kualitatif deskriptif. Subjek penelitian ini adalah mahasiswa karo laki-laki dan perempuan di Universitas Muhammadiyah Sumatera Utara. Objek penelitian ini adalah sikap bahasa dari mahasiswa karo laki-laki dan perempuan di UMSU. Data penelitian ini dianalisis menggunakan analisis dari menggunakan Interaktif Model oleh Miles, Huberman, dan Saldana. Berdasarkan hasil analisis data, mahasiswa karo laki laki di UMSU menunjukkan bahwa, mahasiswa laki laki memiliki sikap berbahasa yang lebih tinggi atau lebih positif daripada mahasiswa karo perempuan terhadap *cakap karo*. Mahasiswa karo laki laki memiliki sikap positif terhadap *cakap karo* di level menerima, merespon, menghargai, mengorganisir, serta nilai nilai internalisasi. Sedangkan, mahasiswa karo perempuan memiliki sikap negatif di level merespon, menghargai, dan nilai nilai internalisasi. Dengan kata lain, mahasiswa perempuan karo mempunyai sikap negatif dalam menerima dan mengorganisir. Mahasiswa karo laki-laki memiliki sikap positif terhadap *cakap karo* karena beberapa alasan, mereka loyal untuk menggunakan *cakap karo* di dalam komunikasi sehari hari sesama mahasiswa karo di kampus dan mereka juga bangga dan merasa penting untuk menggunakan *cakap karo*. Sedangkan, mahasiswa karo perempuan memiliki sikap negatif terhadap *cakap karo* mereka tidak loyal menggunakan *cakap karo* di komunikasi sehari hari sebagai mahasiswa karo, mereka juga kurang perduli dengan norma-norma *cakap karo*, disisi lain, mereka sebenarnya bangga dalam menggunakan *cakap karo* namun mereka hanya kadang-kadang menggunakan dalam kehidupan sehari hari.
