Figure 2.1 The elasticity properties of Solids	16
Figure 2.2 Stress	16
Figure 2.3 Strain	17
Figure 2.4 Series Circuit	18
Figure 2.5 Parallel Circuit	18
Figure 3.1 The overview of research planning	23
Figure 4.1 Column diagram pretest value data in Experiment and Control Class.	32
Figure 4.2 Normal distribution of Pre-test data in experiment class.	33
Figure 4.3 Normal distribution of Pre-test data in control class.	33
Figure 4.4 Column diagram Post test value from data in Experiment Class and Control Class.	35
Figure 4.5 Normal Distribution of Posttest in Experiment Class	36
Figure 4.6 Normal Distribution of Posttest in Control Class	36
Figure 4.7 Diagram of student percentage can answer every category.	38
Figure 4.8 Column diagram of average of student activity	39
