## ACKNOWLEDGEMENT

First and foremost, the writer takes this special opportunity to bow her head and express her deepest appraisal to Allah SWT, the Beneficent and the Merciful Who has given her blessing in completing her study.

In the course of writing this thesis, the writer wishes to express her deepest gratitude to Prof. Tina Mariany Kariman, Dra., M.A., Ph.D as the head of English Applied Linguistics Study Program. The writer also extends her sincere thanks to Dr. Berlin Sibarani, M.Pd, her first consultant, for his continuous supervision, full attention, and endless encouragement given to her throughout the process of writing this thesis; and to Prof. Dr. Jawasi Naibaho, her second consultant, for his motivation and suggestions in the completion of the study.

Many thanks are also due to Prof. D.P Tampubolon, Ph.D., Prof. Amrin Saragih, M.A., Ph.D, and Dr. Lince Sihombing, M.Pd for their valuable suggestions on the important aspects to be included in this thesis.

Next, the writer would like to take this opportunity to express her thankfulness to all the lecturers for their knowledgeable lectures and views that have broaden her horizon, and she realized that there are still so many things to be studied.

It is a pleasure to thank all friends for their extremely valuable comments and suggestion for this writing.

Last but not least, her earnest thanks are presented to her beloved father, Abdul Aziz, and her mother, Rosmawaty Saragih, her brothers and sisters for their

endless love, care, support, and prayers until at last she can finish this piece of research.
