Lembar Persembahkan

For all of the stands you stand of me
For all of the truth that you make me see
For all of the joy you brought to my life
For all of the wrong that you made right
For every dream you made come true.
For the love I found in You
I'll be forever thankful, baby
You're the one who held me up
Never let me fall, You're the one who saw me through, through it all.

You're my strength when I was weak
You're my voice when I couldn't speak
You're my eyes when I couldn't see
You saw the best it was in me
Lifted me up when I couldn't reach
You gave me faith cause you believe
I'm every thing I'm because you love me.

You gave me wings and make me fly
You touched my hand I could touch the sky
I lose my faith, you gave it back to me
You said no star was out of reach
You stood by me and I stood all
I had you love, I had it all
I'm grateful for each day you gave me
Maybe I don't know that much, but I know this much is true
I was blessed because I was loved by you.

You're always there for me
The tender wind to carry me, a light in the dark
shining your love into my life
You've been my inspiration through the lies you were the truth
My world is a better place because of you.
