

ACKNOWLEDGMENT

Bismillahirrahmanirrahim

Alhamdulillahirabbil'alamin. Praise to the Almighty Allah SWT for the mercy in giving the full strength, patient and courage that I have been able to finish my thesis. I would also give my love and appreciation to my parents, Drs. H. Ismail Ali and Hj. Hanisah, S.Pd, and also my parents in law, H. Djakfar Djuned and Hj. Chadijah, for their love, care, pray and everything they have done to help me to go through all this time. Dear Ayah and Mama, no words can describe how I owe you so much. Hope I can do something to make you proud of me. For my two siblings, Fitria Ismy, S.Pi and Mutia Ulfa, AMD, without you I know I could never reach this all. Sisters are best freinds everybody could ask for. For my beloved Husband, Harafik, MA, thank you for always believe in me when I couldn't even believe in myself. Thank you for always be there. My kids, Adiib and Uwa, this all is for you dears. Thank you for always forgive me and accept me the way I am. I love you. Thank you for being the lights of my life.

In process of writing, I would like to give my deep gratitude to many people who have given care, attention, and bright ideas. Thank you for Prof. Busmin Gurning, M.Pd and Prof. Amrin Saragih, P.hD for their help, inspirations, motivations and suggestions. Also for my reviewers; Prof. Syahron Lubis, MA, Dr. Aisyah Ginting, M.Pd and Dr. Rahmad Husein, M.Ed for their valuable inputs for completions of this thesis.

The last but not least, I would like to thanks the owner of Donya Kupi who have allowed me to conduct my study in his lovable place, and help providing me with so many data I needed.

For my friends in battle, we did it guys. My thoughts and prays are for you all, success and good luck.
