

CHAPTER V

CONCLUSION AND SUGESSTION

A. Conclusion

The data has been analyzed and the list of conclusion as following :

1. There are four ideologies found in Erpangir Ku Lau Mantra. They are Religious, Kinship, Animism, and Dynamism. In addition, the fourth ideology proof has a relation with the birth of culture in Karo's people.
2. The reason why ideology is applied in mantra has been found by unstructured interview with Karonese.

B. Suggestion

Having seen the results of this study, the writer would like to offer some suggestion to be considered by those who are interested in studying about ideology and in making futher reserach about it. They are as follows:

1. It is suggested that the students of English literature should learn more about ideology especially in oral literature and oral tradition.
2. It is suggested that the other researchers should make futher researcher about ideology in oral literature and oral tradition to preserve the traditional ceremony, identity and cultural heritage (cultural heritage) in Indonesian ethnic groups.

3. It suggested that the other researchers use this research as one of the research efforts in understand the culture that is still relatively limited, compared to other regions.
