## ACKNOWLEDGMENTS

First of all the writer would like to thank his God, Jesus Christ for his kindness and guidance in finishing this thesis. Without his helping, it is such an impossible thing to the writer to finish this thesis. This thesis is aimed at one of the requirements for the degree of master Humaniora at English Applied Linguistics of The State University of Medan.

The process of finishing this thesis took times, patience, guidance, and energy which leads the writer to express his gratitude to those who have helped him during his study and doing this thesis.

The first special thanks is addressed to his beloved parents (M. Manullang, and R. br Tumorang), and also for all his brothers and sisters for their love and prayer.

Secondly, the writer would also like express his sincere thanks to Prof. Amrin Saragih PhD as his first advisor, and also to Dr. Busmin Gurning, M.Pd as his second advisor for their guidance, and sympathetic encouragements during writing this thesis.

Thirdly, he would like to thank Prof. Tina Mariany Arifin, M.A., Ph.D as the head of English Applied Linguistics of The State University of Medan for her advice during his completing this thesis.

Fourthly, he also wants to thank Prof. Belferik Manulang as the director of The Postgraduates School of The State University of Medan and to all the lectures of English Applied Linguistics for their indirect advice during his study.

Furthermore, the writer would like to thank for all his classmates who have helped him and given encouragements of doing his study.

Finally, the writer realizes that his work needs perfection in spite of the facts that he has done his best in completing this thesis. Therefore, constructive, criticism, comments, and suggestions, are welcome for further improvement of this thesis.
