

## ACKNOWLEDGEMENTS

The greatest praise and deepest gratefulness is delivered to Allah Subhanahu Wa Ta'ala whose mercies endures forever in the writer's life and i can finish my thesis only by His grace.

This thesis is entitled “**Irony and Gender Styles of Humour in the Workplace**”. It is about the types of irony, gender styles of humour which are applied inside ironical expressions, and the functions of irony which appeared inside humorous interaction in the workplace.

In this opportunity, I would like to express a part of deepest appreciation to my first adviser **Prof. Dr. Sri Minda Murni, MS**, and also very thankful of my second adviser **Dr. Tengku Thyrhaya Zein, MA**, who guided and supported me patiently and preciously in writing this thesis, and always give me precious suggestions and motivation during the academic year in English Applied Linguistics Study Program at State University of Medan for preparation to this thesis.

Then, my appreciation also id purposed to **Dr. Rahmad Husein, M.Ed**, as the Head of English Applied Linguistics Study Program and **Dr. Anni Holila Pulungan, M.Hum**, as the secretary of English Applied Linguistics Study Program who has assisted my in processing the administration requierements during the process of this situation in the Postgraduate School of the State University of Medan. I offers my regards and thanks to **Farid M.H**, who has helped my in providing the academic administration.

I would like to express my gratitude to my examiners, **Prof. Dr. Amrin Saragih, Prof. Sumarsih, M.Pd**, and **Dr. Rahmad Husein, M.Ed**, who have given me many suggestions, critical improvement, in order that I can write and finish my thesis well.

The most grateful, I dedicate my very precious appreciation for my mother **Dra. OK Nuraida** who always tranfers her energy and support until I can finish my thesis, and accompany me to reach my master humaniora.

I also thank to all of my family and my friends who get involved and have contribution to complete my thesis.

Thankyou very much. I wish my thesis can be worthwhile for academic research.
