

ACKNOWLEDGEMENTS

First of all, Dear Lord, thank you!

The researcher would like to deliver her greatest appreciation and sincere gratitude to the advisers' board: Prof. Amrin Saragih, M.A., Ph.D, and Dr. Rahmad Husein, M.Ed. Also to the reviewers' board: Prof. Dr. Sri Minda Murni, M.S., Dr. I Wy Dirgeyasa, M.Hum., and Dr. Anni Holila Pulungan, M. Hum. Thank you for your trust, for your guidance along the learning path, and for giving the researcher your valuable time. The researcher also expresses her sincere gratitude toward Prof. Dr. Berlin Sibarani, M.Pd., and Dr. Raden Mursid, M.Pd as validators for their constructive comments and suggestions in advancing the quality of the developed material.

The researcher will forever feel grateful for her dearest family; her mother, kiddos and her kindest DH, without their support, encouragement, and virtuous patience to hear her thesis-related-whining every now and then for the last 7 months, this master thesis project would have been impossible.

To all high school students who participated in this project, the researcher will forever grateful. Thank you for the time and for sharing their “*not-school-related*” reading experiences with her. The researcher has learned a lot from these students and, hopefully, this project will be a corner stone to improve literacy movement in every school in Indonesia.
