## ACKNOWLEDGEMENTS

Writing a thesis is a complex process. It requires insights into a problem and when the problem is determined then the research is started. Completing the work is another challenge. The writer ought to consider the availability of data, time and energy. All these things caused difficulties which should be dealt with. Whatever the situation is; however, there should be strong motivation on the part of the writer to finish the academic work. He should admit that the difficulties often slowed down the process of completing the thesis.

In this regard the writer believes that any difficulty can be overcome with the help of other people. To achieve the purpose of fulfilling the academic requirements, he unhesitatingly went to his consultant for assistance. Through the academic consultation he has gained confidence in writing this thesis which hopefully can produce a better understanding on compare affixes in both of languages

For the unforgettable co-operative attitude of the consultant, first of all, the writer would like to thank **Prof.Dr.J. Naibaho**, as the first consultant, who has provided more insights into starting the thesis project and encouraged the writer to go on with the work despite many difficulties. His suggestions and advice on how to make the research scientifically worthwhile are highly appreciated.

On this occasion, the writer also wishes to thank **Prof.D.P.Tampubolon, M.A,Ph.d** , as a second consultant, who has never failed to motivated the writer to

do what is the best. His encouraging advice to make the writer able to complete the thesis is useful and invaluable.

Next the writer should thank to **Prof.Dr.Belfric Hanullang** as Director of LTBI (Linguistic Terapan Bahasa Inggris) graduate program, for his incessant words of motivation so that the writer could begin the thesis as soon as possible. His provided responds to the needs of the writer in dealing with administrative procedures have been the major factor in leading the writer's success in completing the work. He deserves the writer's sincere gratitude.

Next, the writer should thank to **Prof.Dr.Busmi Gurning,M.Pd**, the Head master of English applied linguistics study program and **Prof.Dr.Lince Sihombing, M.Pd.** the secretary, who has always been willing to provide assistance in dealing with administrative procedures

Further, the writer should thank **all his lectures, especially for the lectures of LTBI** who have taught him how to appreciate knowledge for a better understanding of human life. The humanistic sciences that he has studied at the department of English applied linguistic have opened a new way to reach a more meaningful goal in life.

The writer's sincere thanks are extended to **all his classmates** at the executive class in applied linguistic department Unimed, whose friendship has enriched her mind for their support and encouragement in more ways than the writer can describe during the study in Unimed.

Last but not least, the writer thanks to his beloved parents **Drs.T. Hutahaean M,Ed.** And **T Br Sinaga**, and his dearest sister **Berliana Grace**

**Hutahaean and her husband, Helen Intan Hutahaen and her husband.** They deserve his special gratitude for their patient and encouragements that have been a fundamental moral support has brought the writer to the accomplishment of his study and finishing of his thesis and the last to my beloved friend **Jojo Delima**
