ACKNOWLEDGEMENTS

The writer hardly knows where to start expressing her gratitude but for sure the gratitude goes to all those who have assisted her in the process of completing this thesis. It would be impossible to list all names but some deserve her special thankfulness.

The completion of this thesis is nothing without the support of many people around and close to the writer. First and foremost, she would like to thank Allah SWT, The Almighty, for it is impossible for her to complete this thesis without His Guidance and Blessings until she is able to succeed in presenting this academic work as one of the requirements to obtain the degree of Master Humaniora.

To Prof. Dr. Berlin Sibarani, M.Pd., her First Adviser, for the valuable time spent in giving the guidance, comments, and criticisms to qualify the content of this thesis.

To Prof. Tina Mariany Arifin, M. A., Ph. D., her Second Adviser and the former Head English Applied Linguistics Study Program who in the process completing of this thesis deserves her special appreciation and cannot be thanked enough for all her care, attention, encouragement, and suggestions that have nurtured her intellectual thinking.

Her great gratitude is extended to Prof. Dr. Busmin Gurning, M.Pd. and Prof. Dr. Lince Sihombing, M.Pd., Head and Secretary of the English Applied Linguistics Study Program for their suggestions and administrative assistance during her study.

She is also indebted to Prof. T. Silvana Sinar, M.A., Ph.D., Prof. Dr. Busmin Gurning, M.Pd., and Dr. Eddy Setia, M. Ed., TESP, as her reviewers and examiners for their constructive comments and suggestions for the improvements of this study. And she also thanks Dra. Hj. Rebekka Girsang, Headmistress of SMAN 1 Medan and the Biology teacher of the International Standard Class, Dra. Martina Napitupulu, M.Sc for their assistance in conducting the research.

In the process of undertaking this study, the writer wishes to dedicate her profound and sincere indebtedness to her beloved parents: Dra. Hj. Zubaidah Ritonga and Drs. H. Syamsul Hilal Harahap, her sister; Rifa'atul Khoiriyah Harahap, S.Pd, her brothers; Ilham Syahdanil Harahap, S.T. and M. Yunus Syahriza Harahap for their super attention, support, and prayers till the completion of this thesis.

Her very special thankfulness is directed to her beloved friend, Khalid Ariandi, S.Pd for his endless love, attention, support, patience, and prayers. She also would like to take this opportunity to thank all friends, Kak Ida, Kak Ozi, Kak Zurriyati, Sari, Kak Astro, Kak Ipeh, Kak Yanti, Kak Fahri, Pak Suwanto, Ayu, and Olive, and her special friends (Mirna, Indah, Rista, and Dian) and all her students for their full support and smiles.

May Allah Bless Us!
