

ACKNOWLEDGEMENT

Alhamdulillahirabbil'alamin. Praise and thank to the Almighty Allah SWT, for the blessings and guidance the writer so that the writing of this thesis can finally be accomplished as it should be. This thesis is a scientific writing that has to be completed in order to fulfill one of the academic requirements for the degree of Magister Humaniora at the English Applied Linguistics Study Program; Post Graduate School, State University of Medan. It has also shown the responsibility and capability of the writer as an academician to be able to conduct a research that would be contribute to the development of scientific knowledge.

However, without the assistance of these following numbers of people who have given valuable suggestions and useful influences on the writing of this thesis, it would be much more difficult for the writer to finish her work. She is then deeply indebted to these people and would like to express her sincere thanks.

The writer would like to deliver her grateful appreciation and gratitude to the first adviser Dr. I. Wayan Dirgayasa, M.Hum and the second adviser Prof. Dr. Sri Minda Murni, M.S., for their great care, patient guidance, excellent advices, and precious time in guiding her in the process of completing this thesis.

Her gratefulness also goes to the Head and Secretary of the English Applied Linguistics Study Program, Dr. Rahmad Husein, M.Ed and Dr. Anni H. Pulungan, M.Hum for their kind support toward the prerequisites of the thesis submission as well as the encouragement to work hard toward the thesis proposal. Her sincere gratitude is also given to Prof. Dr. Bornok Sinaga, M.Pd, as the Director of Postgraduate School at State University of Medan.

Furthermore, the writer would like to thank Prof. Dr. Busmin Gurning, M.Pd, and Dr. Rahmad Husein, M.Ed for their constructive comments and suggestions in advancing the thesis quality.

The writer would like to express to vice dean of academic fields Dr. Rosnelli, M.Pd and to head of D-3 Mechnaical engineering study program Drs. Robert Silaban

M.Pd. who has given permitted in doing research at school, D-3 mechanical engineering study program, Sahala Siallagan, MSc., Ph.D. Reza Padhila Ph.D.

My extraordinary thanks and appreciation to my parents, Suparman and Tumpi, they were both my heroes, always encouraging in completing this thesis, and also my big brothers and sisters, they were Suhayati, Jumani, Semi anti, Erlangga , Rini Suriani and Ahmad Shobirin. thank you for the advice that always advises never to be tired and remember the struggle of parents

Which is especially for my beloved wife and my most dear ones Noer Habib, S.Pd. who have helped a lot in completing this thesis. thank you dear have lent leptop to me. I promise to be a loyal and trustworthy husband to death. as well as the father-in-law who always prays for me. so that I can finish the thesis well. and helped a lot in our marriage.

Last but not least, the writer would like to thank all of beloved friends in A1 Class LTBI, Applied Linguistics Study Program, Post Graduate School at State University of Medan, the speacially Julhelmi Erlanda is the best friend and all beloved my friends. Thank you very much for their time to discuss and exchange ideas while working on the thesis as well as their prayers, encouragement and support.
