B. Suggestions

Theoretically, the result of this study could be a reference for people who are interested in developing English reading materials.

Practically, the researcher expects this study was useful for:

1. The Students; Students can find the materials related to their study

program from the internet and the books, if the existing materials provided are not appropriate to islamic program.

2. The teachers; In teaching, teacher should consider the students' needs in choosing the learning materials. The learning process can be successfull if the teacher can give the materials related to the students' program and also The teacher can apply "English for Specific Purposes" approach to apply in teaching English.
3. The other Researcher; In order to provide the appropriate English reading materials, the product of this study can be selected before using in the school especially for students of islamic program.
