

LIST OF FIGURES

FIGURE		Page
1	Histogram on students' achievement in Reading Comprehension taught by using Directed Reading Thinking Activity (DRTA)	51
2	Histogram on students' achievement in reading comprehension that was taught by using Explicit Instruction	52
3	Histogram on students' achievement in reading comprehension that has high curiosity	54
4	Histogram on students' achievement in reading comprehension that has low curiosity	55
5	Histogram on students' achievement in reading comprehension that has high curiosity taught by using Directed Reading Thinking	57
4	Histogram on students' achievement in reading comprehension that has low curiosity taught by using Directed Reading Thinking Activity	58
7	Histogram on students' achievement in reading comprehension that has high curiosity taught by using Explicit Instruction	60
8	Histogram on students' achievement in reading comprehension that has low curiosity taught by using Explicit Instruction	62
9	Interaction between teaching techniques and curiosity	69
