Arief Budiman, 8146132033, Implementasi Supervisi Akademik Teknik Observasi Kelas Dalam Meningkatkan Kemampuan Guru Seni Musik Mengajarkan Musik Ansambel Di SMA Amir Hamzah Dan SMA Gajah Mada Medan

Tesis ini bertujuan untuk mengetahui sejauh mana implementasi akademik teknik observasi kelas dapat meningkatkan kemampuan guru seni musik dalam mengajarkan materi musik ansambel di SMA Swasta Amir Hamzah dan SMA Swasta Gajah Mada Medan.

Metode yang digunakan dalam penelitian ini adalah penelitian tindakan. Tindakan yang dilakukan adalah supervisi akademik teknik observasi kelas. Peran Supervisor dilaksanakan oleh seorang ahli dalam bidang musik disebabkan jaranganya pengawas bidang studi seni musik berkunjung ke SMA Swasta Amir Hamzah dan SMA Swasta Gajah Mada Medan. Tindakan dilaksanakan dalam dua tahap.

Pelaksanaan tindakan tahap satu yang dilaksanakan di SMA Swasta Amir Hamzah dan SMA Swasta Gajah Mada Medan mendapat hasil dibawah nilai ketuntasan rata-rata 80% dengan rincian (1) rata-rata nilai 65,9% di SMA Swasta Amir Hamzah dan (2) rata-rata nilai 79,5% di SMA Swasta Gajah Mada Medan. Dengan hasil tersebut maka dilaksanakan tindakan tahap dua yang kemudian menunjukkan peningkatan dengan hasil (1) rata-rata nilai 97,0% di SMA Swasta Amir Hamzah dan (2) rata-rata nilai 94,1% di SMA Swasta Gajah Mada Medan. Untuk itu penulis menyarankan kepada dinas pendidikan agar lebih memerhatikan mata pelajaran seni musik di SMA swasta se-Provinsi Sumatera Utara khususnya SMA Swasta Amir Hamzah dan SMA Swasta Gajah Mada Medan.

Rekomendasi yang dihasilkan dari penelitian ini berupa penerapan supervisi akademik dengan teknik observasi kelas bisa digunakan oleh pengawas sekolah dalam menjalankan tugas dan tanggung jawabnya. Rekomendasi tersebut dihasilkan atas berbagai dasar pertimbangan permasalahan dan kebutuhan guru serta kondisi pengawas sekolah.

ABSTRACT

Arief Budiman, 8146132033, Implementation of Academic Supervision of Class Observation Techniques in Improving the Ability of Music Art Teachers to Teach Music of the Sambabel in High School Amir Hamzah and SMA Gajah Mada Medan

This thesis aims to determine the extent to which the academic implementation of classroom observation techniques can improve the ability of music art teachers to teach ensemble music material in Amir Hamzah Private High School and Gajah Mada Private High School Medan.

The method used in this study is action research. The action taken is academic supervision of class observation techniques. The Supervisor's role was carried out by an expert in the field of music due to the rarity of the supervisors in the field of music arts visiting Amir Hamzah Private High School and Gajah Mada Private High School Medan. The action is carried out in two stages.

The first stage of the implementation carried out in Amir Hamzah Private High School and Gajah Mada Private High School Medan got the results below the average completeness value of 80% with details (1) the average score of 65.9% in Amir Hamzah Private High School and (2) average the average value is 79.5% in Gajah Mada Private High School Medan. With these results, the second stage of action was carried out which then showed an increase with the results of (1) the average value of 97.0% in Amir Hamzah Private High School and (2) the average score of 94.1% in Gajah Mada Private High School Medan. For this reason, the author recommends that the education office pay more attention to music art subjects in private high schools throughout North Sumatra Province, especially Amir Hamzah Private High School and Gajah Mada Private High School Medan. The recommendations generated from this research are the application of academic supervision with classroom observation techniques that can be used by school supervisors in carrying out their duties and responsibilities. These recommendations are generated on the basis of various considerations of the problems and needs of the teacher and the condition of the school supervisor.
