

ACKNOWLEDGEMENT

Praise to God Almighty, the Merciful and the Most Beneficial.

Now that this thesis is finally written in order to achieve the degree of Magister Humaniora of the English Applied Linguistics Study Program at State University of Medan. The researcher would like to extend her indebtedness to a number of people, without them the completion of this thesis has been impossible.

Firstly, Prof. Dr. Lince Sihombing as the first adviser and as the Secretary of English Applied Linguistics of the Postgraduate Program and Prof. D. P. Tampubolon, P.hD. as the second adviser, for their guidance, encouragement, kindness, and advise that have greatly improved her rough draft.

Secondly, Prof. Dr. Busmin Gurning, M.Pd., as the Head of English Applied Linguistics of the Postgraduate Program and first examiner as well, Prof. Amrin Saragih, M.A., P.hD. as the second adviser, and Prof. Dr. Sumarsih, M.Pd. as the third examiner, very deepest thanks for them for their support, assistance, and advise in finishing this thesis.

Thirdly, the writer's indebtedness goes to all lecturers for transferring their precious knowledge and experience and all staff of Postgraduate Program at the State University of Medan for their kind service during her study.

Fourthly, the writer's never ending love also goes to to her beloved parents; R. M. Malau and N. Sitanggang, her handsome brothers; Yansen Malau and wife, Ferdinand Malau and Ricky Malau. Thanks for your love, encouragement, pray, mental support, and ideas within the thesis.

Last but not least, her beloved friends Santy, Najla, Nova, Ayu, Adah and all friends in LTBI-B/XV, thanks for being my friends and for supporting the writer in finishing this

thesis. Her humble gratitude also goes to Anastasya, Rindu, Grego, Yosen and their parents for being her subjects and giving her the data needed to complete this thesis.

The writer admit that the content of this thesis is still far from perfection, but she warmly welcome any constructive ideas and critics that will improve the quality of this thesis. And the writer also hope this thesis would be useful for those who read this thesis.
