ACKNOWLEDGEMENTS

All praises be to Him, Allah SWT for the great Blessings, Health and Luck that have been continuously poured to the writer in the process of completing her studies and this piece of academic masterpiece.

Praises all also addressed to our prophet Muhammad SAW who has guided us to the better life of today.

In the process of completing this thesis, some names should be listed and thanked especially to those who have given the special care and attention.

To Dr. Eddy Setia, M.Ed.,TESP, her first adviser for the guidance, assistance, encouragement and valuable suggestions that have been given in the process of writing this thesis.

To Prof. Hj. Tina Mariany Arifin, M.A.,Ph.D, her second adviser for her available time spent for consultation, great supervision and full support in shaping this thesis. The deepest appreciation is especially directed to her for the full support and endless encouragement given as the former Head, English Applied Linguistics Study Program.

To Prof. Dr. Busmin Gurning, M.Pd and Prof. Lince Sihombing, M.Pd for their stimulating support during the completion of her thesis and the assistance in completing the administrative procedure.

She would like to take this special occasion to express her gratitude to Prof. Amrin Saragih, M.APh.D, Prof. Lince Sihombing, M.Pd and Dr. Didik Santoso, M.Pd being her reviewers and examiners for the valuable inputs to be

included in this thesis. Furthermore, she would like to express her high appreciation to all lecturers at English Applied Study Program UNIMED Medan who have shared their knowledge and experience with her during studying.

She is deeply indebted to *Bappeda* for great attention to teacher professionalism improvement by giving some of English Teachers the scholarship to study at English Applied Linguistics Study Program Postgraduate School. State University of Medan. Hopefully it will be given for others continuously.

To H.Ramzah Ram, MSi, the headmaster of State Senior High School 16 Medan for the permission to conduct the research and the English teachers, Dra.Nurul Fitri and Debora Simbolon, SPd for their great help in collecting the data.

Finally, she realizes that she is really very sure that the care, attention, support and good education that given by her beloved parents are the basic foundation for her to be what she is now. She has no suitable word that can fully describe their everlasting love. Her endless special gratitude is especially addressed to her beloved husband, H.Adhar Is, SE, MSi for his full understanding and support and her beloved four sons, Zikra Bunaiya, Khalis Alfarisi, Zaim Ukhrawi and Muhammad Romzal Falah for being so good and understandable and continuous motivation.

Last but not least, to her friend Masyitah and Irma for her great help and encouragement during the completion of her thesis and all her friends in “*Bappeda*” class for their friendship and cooperation. It would be difficult to find such beautiful words but above all thank you so much. May Allah Bless us!
