

LIST OF FIGURES

Figure	Page
1. The Procedures of jigsaw.....	16
2. The Procedures of Direct Instruction.....	23
3. The Histogram of the Results on Students' Achievement in Reading Comprehension by Using Jigsaw.....	52
4. The Histogram of the Results on Students' Achievement in Reading Comprehension by Using Direct Instruction.....	53
5. The Histogram of the Results on Students' Achievement in Reading Comprehension with High Syntactic Mastery.....	55
6. The Histogram of the Results on Students' Achievement in Reading Comprehension with Low Syntactic Mastery.....	56
7. The Histogram of the Results on Students' Achievement in Reading Comprehension by Using Jigsaw with High Syntactic Mastery.....	58
8. The Histogram of the Result on Students' Achievement in Reading Comprehension by Using Jigsaw with Low Syntactic Mastery.....	59
9. The Histogram of Results on Students' Achievement in Reading Comprehension by Using Direct Instruction with High Syntactic Mastery.....	61
10. The Histogram of Results on Students' Achievement in Reading Comprehension by Using Direct Instruction with Low Syntactic Mastery.....	62
11. Diagram of Interaction between Teaching Methods and Syntactic Mastery on Students' Achievement in Reading Comprehension.....	71

LIST OF APPENDICES

Appendix	Page
A. Syntactic Mastery Test.....	84
B. The Answer Key of Syntactic Mastery Test.....	91
C. Reading Comprehension Test.....	92
D. The Answer Key of Reading Comprehension Test.....	105
E. Lesson Plan.....	106
F. The Analysis of Reading Comprehension Test.....	112
G. The Result of Syntactic Mastery Test.....	127
H. The Result of Reading Comprehension Test.....	129
I. The Frequency Distribution of Research Data.....	138
J. Calculation of Basis Statistics.....	140
K. Normality of the Data.....	144
L. The Homogeneity Test of Research Data.....	151
M. The Calculation of Analysis of Variance (ANOVA) Two Line.....	156
N. Scheffe Test.....	161
