| ABSTRACT.....                                  | i     |
| ACKNOWLEDGEMENT .....                          | ii    |
| TABLE OF CONTENT .....                         | iv    |
| LIST OF TABLES .....                           | vii   |
| LIST OF FIGURES .....                          | viii  |
| LIST OF APPENDICES .....                       | ix    |
| <b>CHAPTER I INTRODUCTION</b>                  |       |
| 1.1 The Background of the study .....          | 1     |
| 1.2 The Problem of the study .....             | 4     |
| 1.3 The Objective of the study .....           | 4     |
| 1.4 The Scope of the study .....               | 5     |
| 1.5 The Significant of the study .....         | 5     |
| <b>CHAPTER II LITERATURE REVIEW</b>            |       |
| 2.1 Theoretical Framework                      |       |
| 2.1.1 Writing                                  |       |
| a. The nature of writing.....                  | 6     |
| b. Principles for teaching writing .....       | 8     |
| c. The process stages of writing .....         | 9     |
| 2.1.2 Recount Text                             |       |
| a. Definition of recount text .....            | 10    |
| b. Social function .....                       | 11    |
| c. Generic structure .....                     | 11    |
| d. Significant lexicogrammatical feature ..... | 12    |
| 2.1.3 Students' Need Analysis                  |       |
| a. The aspect of need analysis.....            | 12    |
| b. The procedure of need analysis.....         | 13    |
| c. The purpose of need analysis .....          | 15    |
| 2.1.4 Curriculum 2013                          |       |

|   |   |    |
|---|---|----|
| a.                                      | The nature of curriculum.....   | 16 |
| b.                                      | Characteristic of the curriculum 2013.....  | 19 |
| 2.1.5                                   | Scientific Approach   |    |
| a.                                      | The nature of scientific approach.....  | 21 |
| b.                                      | The objective and the principles of learning by using the Scientific approach ..... | 23 |
| c.                                      | The steps of scientific approach.....   | 24 |
| 2.1.6                                   | The Higher Order Thinking Skill (HOTS)  |    |
| a.                                      | The understanding of Higher Order Thinking Skill.....                               | 26 |
| b.                                      | The advantages of Higher Order Thinking Skill.....                                  | 29 |
| c.                                      | The Higher Order Thinking in Blooms Taxonomy.....                                   | 30 |
| 2.1.7                                   | Students' Worksheet   |    |
| a.                                      | The definition of students' worksheet.....  | 32 |
| b.                                      | The function of worksheet .....   | 33 |
| c.                                      | The purpose of worksheet.....   | 34 |
| d.                                      | The benefits of worksheet.....  | 34 |
| e.                                      | The types of worksheet .....  | 35 |
| f.                                      | The element of worksheet.....   | 36 |
| g.                                      | The procedure of developing the worksheet.....                                      | 36 |
| 2.2                                     | Relevant studies .....  | 37 |
| 2.3                                     | Conceptual Framework.....   | 40 |
| <b>CHAPTER III RESEARCH METHODOLOGY</b> |   |    |
| 3.1                                     | Research Design.....  | 43 |
| 3.2                                     | Data and Source Data.....   | 44 |
| 3.3                                     | The Subject of the Research.....  | 44 |
| 3.4                                     | Instrument of Data Collection.....  | 44 |
| 3.5                                     | Technique of Data Collection .....  | 45 |
| 3.6                                     | Technique of Data Analysis .....  | 46 |
| 3.7                                     | The Procedure of Students' Worksheet Development.....                               | 48 |
| <b>CHAPTER IV RESEARCH FINDING</b>      |   |    |
| 4.1                                     | Research Finding.....   | 50 |

|  |           |
|--|-----------|
| 4.1.1 Gathering the data and information ..... | 50        |
| 4.1.2 Analyzing the data.....                  | 51        |
| 4.1.3 Developing the worksheet.....            | 62        |
| 4.1.4 Validating the worksheet .....           | 63        |
| 4.1.5 Revising the worksheet .....             | 66        |
| 4.1.6 Final Product .....                      | 67        |
| 4.2 Discussion .....                           | 67        |
| <b>CHAPTER V CONCLUSION AND SUGGESTION</b>     |           |
| 5.1 Conclusion .....                           | 69        |
| 5.2 Suggestion.....                            | 69        |
| <b>REFERENCES.....</b>                         | <b>72</b> |
