

## FOREWORD

Bismillaahirrahmaanirrahiim, Alhamdulillahirabbil A'lamin. Praise and thank the authors say to Allah Subhanahu Wa Ta'ala, for all his blessings and grace, then this thesis can be completed well. Thesis titled "**The Development of Innovative e-book on Reaction Rate Material to Increase Student Motivation and Learning Outcomes**", arranged as one of the requirements for obtaining Sarjana Pendidikan in the Department of Chemistry, Faculty of Mathematics and Natural Science, State University of Medan

On this occasion the author would like thank to **Dr. Iis Siti Jahro, M.Si** as a thesis supervisor (PS) who has provided much guidance, advice, and motivation to the writer since the beginning of planning, research, until the completion of writing this thesis. Thanks also to **Prof. Dr. Ramlan Silaban, M.S., Mr. Dr. Zainuddin M., M.Si** and **Mrs. Nora Susanti, S.Si., M.Sc., Apt** as examiners who have provided input and suggestions for the improvement of this thesis. Thank you to **Dr. Mahmud, M.Sc** as an academic supervisor (PA) who has provided a lot of input, advice and guidance as long as the writer goes through academic activities and to all lecturers' fathers and mothers and staff of the Department of Chemistry FMIPA Unimed. Thank you also to Ms. **Nurlaily, S. Ag** as the headmaster who allowed the author to do research at Mas Al-Ikhlas Bah Jambi and thank you to chemistry teachers who helped the writer during the research process.

Especially and beloved, the authors thank to parents, Father **Ramli** and Mom **Dra. Nurmayeni, S.PdI**, as well as motivators and inspirations in life, who are struggling hard in educated me and never stop praying all this time MasyaAllah, so that in the end the writer can carry Sarjana Pendidikan degree. Thank you also to Sister **Nurul Aprilia Jambak, S.Pd** as the greatest sister who always advises, shares knowledge, experiences in life, and always support writers.

The author would like to thank colleagues in arms, namely members of the 2016 Bilingual Chemistry for giving color to life, explaining maturity, and providing happiness during the lecture. To my good friends (**Nadia Elisabet Manullang, Sedy Kristine Siahaan, Tio Lyn Sihombing** and **Titi Indra Lestari**) who always provide laughter during my studies and are always there when I am in trouble, and also **Dinda**

**Nur Hasanah** because we have both fought for our thesis and thank you for your enthusiasm and support, and for my bestfriend **Nathasya Frincen Asrinda Purba** and my lovely sister **Amelia Az-zahra** who always there to listen my problem. Especially to **M. Azwan Syihab Ashoba** who always helps, accompanies and support me when I begin to give up and always there whenever I have a problem and always listen my story, hopefully quickly finish his thesis too.

The author has tried as much as possible in completing this thesis, but the authors realize there are still many weaknesses both in terms of content, structure and grammar. For this reason the authors expect constructive criticism and suggestions from readers for the perfection of this thesis. May the contents of this thesis be useful in enriching the treasury of education.
