Dear Cosmo Johnson,

Ok, I will confirm about the article that I have, but previously I have some questions for you.

1. For this moment, I will submit 10 articles that I will send for you.
2. Do I must review previously that article? because on Journal Education of Practice I usually do review first of it.
3. is it (article) must send from my email?

I hope you can answer my question as soon as.

Thank you,

Best Regards,

Prof. Dr. H. Sahat Saragih, M.Pd.

Dear Prof. Dr. H. Sahat Saragih, M.Pd.,

Thanks for your kind reply.

1. You could submit 10 articles to me via email by attachment;
2. It is better for you to review articles previously, then you submit them to me;
3. The articles had better be sent by you, also be able to submit by author himself, when the authors themselves submit the articles, they should note that "The article is suggested by your name" in the article or the letter they send to me.

Looking forward to receiving articles from you.

For more questions, please feel free to contact me.

Thanks!
