

## ABSTRACT

**Marpaung, Bela Azzura. 2019. Registration Number: 2153121006. Students' Feedback to Teachers' Performance in Teaching Recount Text. A Thesis. English Educational Program, State University of Medan, 2019.**

In academic field, feedback is an essential part of learning. Gaining students' feedback is useful in improving self quality and performance in teaching. This study aims to analyze the students' feedback to the teachers' performance in teaching recount text. This study was conducted by descriptive qualitative method through phases; gathering information and data and analyzing data. The subject of this research was at eighth grade students of SMP Negeri 35 Medan. The instruments for collecting data were students' written feedback and questionnaire. The data then was analyzed by using checklist. The data were gathered by asking the students to write feedback and distributing questionnaire to the students. The results of the data analysis showed that there were 62,97% of students' used the negative feedback in giving their opinions. There were only four of twenty seven students that could enclose at least five indicators of a good feedback.

**Key Words:** *students' feedback, types of feedback, principle, good feedback*

## ABSTRAK

Marpaung, Bela Azzura. 2019. NIM: 2153121006. Students' Feedback to Teachers' Performance in Teaching Recount Text. Skripsi. Program Studi Pendidikan Bahasa Inggris, Jurusan Bahasa dan Sastra Inggris, Universitas Negeri Medan, 2019.

*Feedback* merupakan aspek penting pembelajaran dalam dunia pendidikan. Mengumpulkan *feedback* dari siswa akan sangat berguna bagi seorang guru untuk dapat meningkatkan kualitas dan kemampuan mengajar. Penelitian ini bertujuan untuk menganalisis *feedback* yang diberikan siswa pada guru dalam mengajar materi teks *recount*. Penelitian ini dilakukan menggunakan metode deskriptif kualitatif melalui beberapa tahap; mengumpulkan informasi dan data serta menganalisis data. Adapun penelitian dilakukan pada siswa kelas 8 di SMP Negeri 35 Medan. *Feedback* dari siswa serta kuesioner menjadi instrumen dalam penelitian ini dan dianalisis menggunakan *checklist*. Hasil dari analisis data menunjukkan bahwa 62,97% siswa menggunakan tipe *feedback* negatif dalam menyampaikan pendapat mereka dan hanya terdapat empat siswa yang mencapai paling sedikit 5 indikator dari *feedback* yang baik.

**Kata Kunci:** *feedback siswa, jenis feedback, prinsip, feedback*
