

CHAPTER V

CONCLUSIONS AND SUGGESTIONS

3.1 Conclusions

There are many linguistics devices found in written language but this study only concerns about the linguistics devices found in political text. So after analyzing the whole texts which are chosen to be the data in this study, it is concluded that the stylistic device found in the daily analisa newspaper are metonymy, pleonasm, methapor, periphrasis, personification, synecdochy, polysemy, anticlimax, euphemisms, clich, oxymoron, to tem pro parte, climax, pun, slogan, irony, hyperbola, ephitet, cynicism, zeugma, antonomasia, asindenton sarcasm, simile, ellipsis, proverbs.

Metonymy is the most stylistic devices of the whole stylistic device found in the text (32.2%). Then followed by euphemism stylistic device (14.5%) and then methapor (12%) out of the whole text.

Those three stylistic device are the most expressions found in the daily analisa because in political text use to reffering something with word in order to describe the quality or feature of that thing, then the language of politic used to use a word or phrase to replace an unpleasant things that can make other people as reader or listener or hearer feels humiliated because of that and the lasi is political text use to use an expression which describes a person or object in a literary way by referring to something that is considered to have similar characteristics to the person or object you are trying to describe.

3.2 Suggestions

In relations to the conclusions, suggestions are offered as the following.

1. For the journalist, as a journalist he/she must understand well kinds of linguistic devices in order to help them be able to write the political text in a good way without containing to much linguistics devices which might cause of breaking the ethics of writing text such as political text, which makes someones feeling hurt. Further research requires to be conducted to know more about the stylistic device and its fields
2. For editor, as an editor also should understand the linguistics devices in order to help him in editing the idea contains in the political text written by journalist so by the time the text breaks the ethics, it should be revise or at least he/she may know whether the political text appropriate to be publised of not.
3. For applied Linguistics students are expected to have a better understanding about stylistics devices to enable and enrich their knowledge.
