

ACKNOWLEDGMENTS

Bismillahirrahmanirrahim

Alhamdulillah. I thank Allah, the Almighty, who has relentlessly blessed me with the ability to learn and relearn about finding my passion, and the One who has granted me opportunities to finish this thesis. I am also blessed to had encouragement from the following people to pursue my further education.

I first and foremost would like to express my sincere gratitude to Professor Herbert Sipahutar, my thesis adviser, for his guidance in planning and conducting this study. I am also deeply indebted to Dr. Tumiur Gultom, my second thesis adviser, for her prudence and helpful feedback she provided me during the completion of this thesis.

I wish to express my appreciation to Professor Asih Menanti, Professor Binari Manurung and Dr. Fauziyah Harahap for their willingness to serve on my thesis examiners and for proofing the content for correctness and numerous suggestions. I also wish to thank Professor Asih Menanti, Dr. Ely Djulia, M.Pd and Dr. Diky Setya Diningrat, M.Si , my expert validators, for their help in validating my instruments.

I owe a great debt of gratitude to Mr. Mayurid, M.Si, the Headmaster of Al-Azhar Medan High School, for his authority in making this study viable. I am also pleased to thank Mrs. Farida and Mr. Roy who opened up their classrooms to me for the process of data collection.

I extend my gratitude to the people who have made my studies at Universitas Negeri Medan more pleasurable. Hence, I would like to thank all the lecturers at the Postgraduate Program in Biology Education, for their expertise, devotion, and excitement.

Thank you, my compatriots in Class-B1 for their friendly and efficient help in many occasions. Thank you, my closest friends Leny Herawati, Miftah Arina, Novita Zaluhu and Henny Rahayu for beautiful time you guys have given me in Unimed, may all our efforts turns into great achievements.

Last but far from least, my greatest thanks must go to my *Umak and Ayah*: Fadhliah Lubis and Muhammad Nasution, no words can describe how and how grateful I am to have you. *Mak*, thank you for all your support and the love you

have given me. *Ayah*, although you're not here anymore, thank you for being the role model in our family and may Allah SWT grant you Jannah and let meet us together in Paradise. All my Brothers and Sisters, thank you for your understanding and never ending supports. To them, this thesis is dedicated.
