

## ACKNOWLEDGEMENTS

First and foremost, the writer would like to praise and thank the Almighty God for His never ending love in my life and His mercy in giving full patient and strength that has enable me to accomplish this thesis in order to fulfill one of requirements in obtaining the degree of Magister Humaniora from the English Applied Linguistics, Postgraduate Program from the State University of Medan.

The writer realized that this thesis will not finished without support, motivation, guide, and contribution, and so on of others, therefore the writer would like to deliver her special thanks and appreciation to the persons who have mention below:

Special thanks are conveyed to her beloved husband, Fredy Rusdi A. Sianipar for his always support mentally and financially, motivation and endless praying. To her little son, Andrew Septiano Sianipar, for his support and understanding.

The deepest thanks are conveyed to her beloved parents, A. Situmeang and M. Sipahutar, to her beloved father and mother in law, S. A. Sianipar and L. Nababan for their support, motivation and endless praying. To her beloved all brothers and sisters for their endless praying and support during her study and finishing this thesis.

She would also like to deliver a special thanks, appreciation, and gratitude to the first advisor, Prof. D. P. Tampubolon, Ph. D who had changed by Dr. Sri

Minda Murni, M.S who have given her guidance, support, and valuable input in process of writing this thesis, and also for their precious time in discussing, giving idea and suggestion since the beginning until completing this thesis. To the second advisor, Prof. Dr. Lince Sihombing, M.Pd, she would like to express her deepest thanks for her guidance, advice, analytic inputs, and her professional support. She spends the precious time in giving suggestion and command in contents to her thesis that help her to shape this thesis. For without their help and generosity in sharing their knowledge, she would not be able to complete this thesis.

She also would like to thanks to Prof. Dr. Busmin Gurning, M.Pd, Dr. Anni Holila Pulungan, M. Hum, and for their positive contribution and suggestions in enriching the quality of this thesis.

She also would like to deliver her appreciations and gratitude to the Head of English Applied Linguistics Study Program, Prof. Dr. Busmin Gurning, M.Pd and to Dr. Sriminda Murni, M.S as the Secretary of English Applied Linguistic Study Program, for their suggestion and administrative assistance during her study and completed this thesis as well as complete her Master degree in English Applied Linguistic Study Program, Postgraduate School State University of Medan. She also would like to deliver special thanks to Prof. Dr. H. Abdul Muin Sibuea, as the Director of Postgraduate School Study Program of State University of Medan.

Furthermore, she would also like to take this opportunity to give thanks to all lecturers of LTBI, Regular class, who have shared their precious time and knowledge to all the students.

The writer would also like to thanks to all of her beloved friends in LTBI class of XIX; Ira, Elvi, Eka, Maria Ulfa, Nova, Zikra, Mita, Enni, Kak Nurlia, Aisyah, Ulfa Salha, Meisa, Yuni, Mulki, Kak Khairiah, Bayu, Nasir, Bang Mulia, Syafiq, and Ismed. Thanks for their support, pray, and motivation in finishing her study. May God bless you all. Amin.

The last but not least, the writer would like to thanks to the Headmaster of SD Katolik Makmur, Budi Murni 7 Medan who has given the opportunity to observed the students and to maam M. Siringo-ringo as the teacher of grade two. And special thanks to the researcher's respondents, Aveni Saulina Nainggolan, Nadya Gracya Nainggolan, and Jonathan Shavcenko for their participation.

Finally, this thesis is still far from being perfect in spite of fact that the writer has done her best in completing her work. For this reason, it is suggested for other researchers to make further study related to this topic and subject.

Medan, September, 2013  
The writer,

CANRA SITUMEANG
