

ACKNOWLEDGEMENT

In the name of Allah SWT, the Most Beneficent, the Most Merciful

As this thesis is completed, first of All the writer would like to express gratitude to Allah SWT the Lord of the mankind, djinns, and all that exists for the opportunity for her to complete the thesis. Peace upon Muhammad SAW, the last of the prophets and upon his Messengers and his families, his companions and whoever follows him with benevolence until the Day of Resurrection. And also the persons mentioned below who have given her invaluable help, support, suggestions, motivation, encouragements during her study at the English Applied Linguistics Study Program, Postgraduate School State University of Medan.

The writer would like to express her deepest thanks and endless appreciations to her parents, abah (Abdullah Muhammad) and umi (Sofia S. Ali), many thanks for their prayer and support and especially their endless loves. Their praying will bring her into the best of her future, Amin. And also to all my beloved families who always shower me with all their loves and cares; sisters (Zikriah, Fitri, Nissa, Ivo, Dieta) and brothers (Iis, Taufik, Ahmad Alamri, Ahmad Balatif, Ayet and Icai), and also to all my Arabic relatives who supported me in making this thesis. May Allah bless us all.

She also would like to deliver her plentiful appreciations and gratitude to the first advisor Prof. Dr. Busmin Gurning, M.Pd, and the second advisor Dr. Sri Minda Murni, M.S for their guidance, advices, comments, encouragement, and also help given to the writer from the very beginning up to the end. Her

gratefulness also goes to them, as the Head and Secretary of the English Applied Linguistics Study Program, for their suggestion and administrative assistance during the process of conducting this study. Her truthfully gratefulness is also given to Prof. Dr. H. Abdul Muin Sibuea, as the Director of Postgraduate School Study Program of State University of Medan.

Furthermore, she also thanks to Prof. Tina Mariany Arifin, M.A, Ph.D., Dr. Eddy Setia, M.Ed, TESP. and Dr. Anni Holila Pulungan, M.Hum., for their constructive comments and suggestions in enriching the quality of this thesis.

Last but not least, the writer also would like to thank to all of her beloved friends in LTBI intake XIX; Nova, Aisyah, Nurlia, Eka, Elvi, Ira, Zikra, Ulfa, Ufe, Meisa, Yuni, Canra, Mulki, Kak Khairiah, Enni, Bayu, Nasir, Bang Mulia, Syafiq, and Ismed. Thanks for their support, prayer, encouragement, and for the assistance in finishing her study. May Allah SWT consecrate to them. Amin.

Finally this thesis is still far from being perfect in spite of fact that the writer has done her best in completing her work. For this reason, it is suggested for other researchers to make further study related to this topic and subject.
