It is difficult to start dedicating her gratitude but certainly her gratitude goes to those who have given her contributions in the process of finishing this thesis. The completion of this thesis is nothing without the support of many people around and close her. However, it would be impossible to mention all, but in this precious opportunity, she would like to extend her indebtedness.

First and foremost, she would like to thank Allah SWT, The Almighty, the most gracious, and most merciful, for His Guidance and Blessings until she can succeed in presenting this academic work as one of the requirements to obtain the degree of Master Humaniora.
