

CHAPTER V

CONCLUSION & SUGGESTION

This chapter presented the conclusion and suggestion after the writer analyzed the Myth of Javanese tradition *Tingkeban*.

5.1. Conclusion

Based on the findings and discussions in Chapter IV, some conclusions can be formulated as follows.

1. Javanese people believe that *tingkeban* ceremony important for the birth of baby. Especially for the first baby. Javanese people believe that from the *tingkeban* ceremony the perspective mother and children will give the safety. For Javanese people, *tingkeban* is the ceremony that must held.
2. In culture, there many myth found in every ceremony that held to pray, or in wedding ceremony. Almost all culture have their own myth in their life.
3. The ideology of myth in each procession and equipments related to the animism and dynamism belief system that roh (spirit) can benefit human life, as well as can asked for help for human life in this world, and belief that every object, plant or animal has magical powers that can disturb or protect humans.

5.2. Suggestion

After concluding all the result of the data, the writer would like to offer some suggestions to be considered by those who are interested in studying

about myth of making further research about it. They were for both theoretically and practically:

1. Theoretically, through the findings of the research, the students of English Department and Literature are suggested to learn more about myth, especially in cultural ceremony, such tingkeban ceremony.
2. Practically, the students of English Department and Literature are suggested to understand about the use of myth, especially in tingkeban ceremony.
3. Finally, tradition is very important for all people, especially for young generation. So, we must keep the culture tradition
