Dear Novita Sari Harahap

This is with regard to your submitted manuscript, 99886-BTC-ANSI, titled Oxidative Stress Response And The Giving Of Red Dragon Fruit (*Hylocereus Polyrhizus*) Against Malondealdehyde (MDA) And And Alkaline Phosphatase With Heavy Physical Training, submitted to Biotechnology on 14 December, 2019 for consideration as a Research Article.

The above mentioned manuscript has been finally accepted by the Reviewer for publication in Biotechnology as Research Article. You may download the final acceptance letter after log in to your account with User ID novitahrp74@gmail.com.

Before we can continue with final production, it is mandatory to pay Article Processing Charges. All articles published in our journals are open access and freely available online, immediately upon publication. This is made possible by an article-processing charge (APC) that covers the range of publishing services we provide.
