

ACKNOWLEDGEMENT

I thank God the Almighty, Lord Jesus Christ for His love and mercy in my life. For His guidance and help until i finish my Skripsi with the title "Development of 3R (Reduce, Reuse, Recycle) Student Worksheet Based on STEM (Science, Technology, Engineering, Mathematics) on Environmental Change Topic Class X Natural Science SMA Negeri 2 Percut Sei Tuan". as one of the requirements to Fulfill the Requirement for Degree of Sarjana Pendidikan Biologi at Fakultas Matematika dan Ilmu Pengetahuan Alam Universitas Negeri Medan. In particular, my greatest thanks for my family, especially my beloved parents, Jonta Sihaloho and Esra Simbolon. Also my beloved sister and brothers, Rosa Sihaloho, Putra Sihaloho and Juan Sihaloho, they are reason for me to never give up.

In the process of completing this thesis, there are obstacles faced by the writer. However, all of that can be overcome by the researcher from various supporters, especially the Supervising Lecturer, Prof. Dr. rer. nat. Binari Manurung, M.Si. who contributed greatly to complete of this Skripsi, provided guidance, motivation and extraordinary direction in the preparation of this thesis. On this occasion, the author also expressed many thanks to: Mr. Dr. Syamsul Gultom, S.KM., M.Kes., As the Rector of Universitas Negeri Medan, Mrs. Dr. Fauziah Harahap, M.Si., as Dean of the Fakultas Matematika dan Ilmu Pengetahuan Alam, Universitas Negeri Medan, Mr. Prof. Dr. Herbert Sipahutar, M.S., M.Sc as my academic supervisor who has provided guidance and direction during lectures, Mrs. Dra. Martina Asiati Napitupulu, M.Sc., Mr Drs. Syarifuddin, M.Sc., Ph.D., Dr. Diky Setya Dinatingrat, S.Si., M.Si. as a examiner lecturer who has provided guidance and input to researchers during the writing of this thesis, Mr. Drs. Marsito, M.Si. as the Principal of Percut Sei Tuan Senior High School 2 who has given permission to the author to carry out the research, also Mrs. Fitri Utami, S,Pd as a teacher of Biology subject who has accompanied the author in conducting research, To my beloved best friend in Partner in Christ, Monika Sijabat, Moni Simbolon, Sarah Rapma Sitanggang, Nelly Pakpahan and Sintong Ivan Nadeak for their support.

The author realizes that in writing this thesis, there are still many weaknesses both in terms of content and writing language. The author expects constructive suggestions or input from readers for the improvement of this thesis. Finally, I hope this thesis can provide positive benefits for readers, especially those who active role in education in order to make the quality of education in Indonesia is better.

Medan, 27 July 2020

Author,

Chintia Monika Sihaloho
