| Lampiran | 1. Instrumen Penelitian .....                                    | 268 |
|          | 2. Tabel Uji Validitas - Reabilitas Instrument Penelitian, ..... | 289 |
|          | 3. Perhitungan Validitas dan Reabilitas Manual .....             | 300 |
|          | 4. Tabulasi Data Penelitian .....                                | 310 |
|          | 5. Data Pokok Penelitian .....                                   | 340 |
|          | 6. Sebaran Indikator Variabel .....                              | 370 |
|          | 7. Uji Normalitas .....  | 395 |
|          | 8. Pengujian Signifikansi Koefisien Regresi dan Linier .....     | 403 |
|          | 9. Perhitungan Analisis Deskriptif .....                         | 416 |
|          | 10. Perhitungan Korelasi .....                                   | 429 |
|          | 11. Perhitungan Koefisien Jalur .....                            | 434 |
|          | 12. Pengaruh Eksogenus dan Endogenus .....                       | 448 |
