Dear Dr Sirait:

Manuscript ID: RA-ART-01-2021-000308.R1

TITLE: Synthesis and Characterizations of Natural Limestone-Derived Nano-Hydroxyapatite (HAp): A Comparison Study of Different Metals Doped HAp on Antibacterial Activity

Thank you for submitting your revised manuscript to RSC Advances. After considering the changes you have made, I am pleased to accept your manuscript for publication in its current form. I have copied any final comments from the reviewer(s) below.

You will shortly receive a separate email from us requesting you to submit a licence to publish for your article, so that we can proceed with publication of your manuscript.

RSC Advances is a gold open access journal. Your manuscript will be published open access and the article will be subject to the appropriate article processing charge (APC). Discounted APCs and full APC waivers for corresponding authors in certain countries are available. All authors are given the option to apply for a waiver after signing the open access licence - please see the following URL for more details: <https://www.rsc.org/journals-books-databases/about-journals/rsc-advances>

I would like to offer my congratulations on the acceptance of your manuscript. If you would like us to promote your article please let us know and provide us with any Twitter handles, if applicable. If you would like to promote your article yourself and would like us to re-tweet your post please tag @RSCAdvances. Alternatively, if you would like your article to be considered for further promotion via our WeChat channels then please do let us know.

We are offering all corresponding authors who are not already members of the Royal Society of Chemistry one year's Affiliate membership as part of their APC. If you would like to find out more please email [membership@rsc.org](mailto:membership@rsc.org), including the promo code OA100 in your message.

Learn all about our member benefits at <https://www.rsc.org/membership-and-community/join/#benefit>

We will email you information on how to access your RSC Advances article proofs shortly.

As an author you are entitled to a 25% discount on books published by the Royal Society of Chemistry. To receive this discount, enter the promotional code JLTH25 when purchasing from our online bookshop ([pubs.rsc.org/bookshop](https://pubs.rsc.org/bookshop)). Please contact [booksales@rsc.org](mailto:booksales@rsc.org) if you have any problems.

Discover more Royal Society of Chemistry author services and benefits here:

Thank you for publishing with RSC Advances, a journal published by the Royal Society of Chemistry – connecting the world of science to advance chemical knowledge for a better future

With best wishes,

Dr Maya Davidovich-Pinhas  
Associate Editor, RSC Advances

REVIEWER REPORT(S):

Referee: 1

Recommendation: Accept

Comments:

The authors have addressed all reviewer comments adequately.

Additional Questions:

Does the work significantly advance the understanding or development in this field?: Yes

Is this work of relevance to the chemistry community?: Yes

Are the conclusions of the work convincing and sufficiently supported by experimental evidence?: Yes

Does the data provided fulfil the journal's data requirements?

See Journal specific guidelines: <a href="https://www.rsc.org/journals-books-databases/about-journals/rsc-advances/#Characterisation-of-new-compounds" target="\_new">https://www.rsc.org/journals-books-databases/about-journals/rsc-advances/#Characterisation-of-new-compounds</a>: Yes

Is the experimental section sufficiently detailed to allow others to reproduce the work?: Yes

Are the reported claims adequately discussed in the context of the literature?: Yes

Are the number of tables and figures in the manuscript appropriate and clear?: Yes

Dear editor,  
Thank you so much for accepting my manuscript.

Have a nice day.

Regards,  
Dr. Makmur Sirait
