

## FOREWORD

Praise the authors say for the presence of Allah SWT who always bestows his favors and gifts, so that the author can complete the thesis entitled "*The Development of Instruments Assessment Critical Thinking Skill of High School Student on Static Fluid*". This thesis is structured to fulfill one of the requirements in order to obtain a Bachelor of Physics Education in State University of Medan.

To complete this thesis certainly can not be separated from the help of various parties, the authors express their thanks to:

1. To my Parents who never cease to pray for the ease in making this thesis.
2. Mrs Dr. Fauziyah Harahap, M.Si as the Dean of the Faculty of Mathematics and Sciences, State University of Medan who has ratified this thesis.
3. Mr Prof .Dr. Herbert Sipahutar, M.S., M.Sc. as Deputy Dean I has given permission for this research
4. Mr Dr. Wawan Bunawan, M.Pd., M.Si as Chairman of the Department of Physical Education and Mrs Dr. Iis Siti Jahro as a Coordinator of Bilingual Physics Education who has given permission in writing thesis and has given a lot of convenience in thesis preparation.
5. Mr. Dr. Wawan Bunawan, M.Pd., M.Sc as the Thesis Advisor who has provided guidance, input, direction, and motivation in research to compile the results of this thesis.
6. Mrs. Maisaroh, S.Pd, M.Sc as the Head of MAN 1 Medan who has given research permission.
7. Mrs. Dewi Arisanti S.Pd., M.Pd. as a Physics Teacher in MAN 1 Medan who has helped in conducting research.
8. All students who are the subject of research for the cooperation provided during the study.
9. Father, mother, and my brothers who always provide prayer, motivation, and support so that the author can complete the study smoothly.
10. Physics education friends in 2016 who always provide support so they can complete this task.

Hopefully the assistance from all parties that have been given to researchers will become a good deed and get a reply from Allah SWT. The author realizes that this thesis is still far from perfection, so the authors expect constructive criticism and suggestions to improve this thesis. In the end, the writer hopes that this thesis will be useful.
