

ACKNOWLEDGEMENT

Praise and thank you the author speaks to God the Almighty, Lord Jesus Christ for His blesses, love and mercy me, so that the writer can finish writing this thesis well and in accordance with the planned time. Skripsi entitled with “Analysis of Student’s Asking Ability Based on Bloom’s Taxonomy at Biology Subject of Grade X and XI in SMA Negeri 11 Medan Academic Year 2018/2019”. This thesis was prepared to obtain a Bachelor of Biology Education, Faculty of Mathematics and Natural Sciences, University of Medan.

Next I would like to express my sincerest gratitude to my research advisor Dr. Tri Harsono, M.Si for his guidance, support, and trust in me both in research and in personal life. I am fortunate to have him such an enthusiastic and supportive person as a supervisor. I learned so much from his knowledge, personal life, and enthusiasm. Beside my advisor, I would like to thank the rest of my thesis committee Mrs Khairiza Lubis, S.Si, M.Sc., Ph.D M.Si, Mrs Selvia Dewi Pohan, S.Si., M.Si and Drs. Syarifuddin, M.Sc., Ph.D for all support and guidance.

Thank you also the author conveyed to Prof. Dr. Syawal Gultom, M.Pd., as Rector in University of Medan along with staff staff in the rector, my sincere also go to Dean of Mathematic and Natural Sciences Faculty, Dr. Fauziyah Harahap, M.Si. I would like to thank my academic counselors Dr. Fauziyah Harahap, M.Si. I would like to thank sir Wasis Wuyung Wisnu Brata, S.Pd., M.Pd, who have helped in the validation of my research instrument, Dr. Hasruddin, M.Pd as Biology Departement Head and the Head of my lovely program Bilingual Study Program Dr. Iis Siti Jahro, M.Si for plenty of love, support, advices and knowledge which she spread to me without no doubt.

I would like to give my deepest appreciation to my lovely parents Johan Manik and Nurintan Silalahi who always support and love me in sort of way, my sisters Ani Ceta Eva Susanti Manik, Amd and Rina Riama Manik, Amd and my my brother Edward Maradona Manik, ST for being sauch as great not only sibling

but also mentor for me. Without the support and love from my family, I would not be who I am today.

An impossible to forget my sister in bilingual biology Naimatussyifa Daulay, S.Pd for being not only sister but also mentor that. Also I would to thank to my friend especially tribute Dian Mesis Silaban and Nadya Khairunnisa, S.Pd for helping me in my chance, accompany me like everywhere, anytime. My biggest thank to my soul Dodi Hamdani Sitanggang for all your support, advices guidance, and help for me to finish my study.

And I would to thank to the class Bilingual Biology Education 2013 for all sort of craziness, happiness, sadness, love, and unforgettable moments we have had in last four years. In addition, thanks for support and help for me to finish my study.

Last but not least, I would like to express my appreciation to all people who involved in my study journey in university level. Thanks for all support that given to me.

Medan, January 2020
