

PREFACE

First for all, the author is grateful to God for His blessing and chance for me to finish the study and complete the thesis entitled “The Implementation of Contextual Teaching and Learning Model to Improve Mathematical Conceptualizing Skill for Grade XII SMAN 1 Tebing Tinggi”. The authors recognize that the completion of this proposal thanks to the help of the moral and the material from various parties.

The author’s special sincerest thanks is expressed to Dr. E. Elvis Napitupulu, M.S. as the skripsi supervisor for his advices, encouragements, suggestions, and knowledge that have been contributed to help the author in compiling this proposal that this proposal could be finished. Then author also say thanks to Dr. Mulyono, S.Si., M.Si. as the academic supervisor for his advices, suggestion, and motivations from beginning until finishing study. The author also say thanks to Dr. Iis Siti Jahro, M.Si. as the Coordinator of Bilingual Program for all the valuable guidance and contribution to complete this proposal. The author also say thanks to Dr. Edi Surya, M.Si., Dr. Pardomuan Sitompul, M.Si., and Sri Lestari Manurung, S.Pd., M.Pd. as my commites for all suggestions to build this thesis better as the research education.

Many thanks for everlasting love from author’s parents, Yos Antonius and Malem Krina that give the support and motivation to finish it well and for all my friends that always help me to complete it on time. Thanks a lot for SMAN 1 Tebing Tinggi, for headmaster, Drs. Adil Shadli, M.Si., mathematics teacher, Drs. Mujiono, all teacher, and my students to help me finishing my research.

Finally, the author realize that there are also many weakness and insufficiency in this proposal, for that the author hopes suggestion and criticism to make this thesis to be better.
